**From Principal's Desk:** Dear Reader, this is the second issue of our bi-annually newsletter. It gives me great pleasure to invite you to take an initial peek into the heart that beats behind the appealing façade of P. Wadhvani College of Pharmacy. I thank you for your interest in this exceptional institution which has recorded three decades of constant development, in the course of which it has accomplished much, making it one of the colleges recognized for its excellence.

The P. Wadhvani College of Pharmacy tradition happily brings together sound academic achievement with an extensive, vibrant co-curricular programme that includes sports, and leadership training programmes. Our mission is to inculcate the love of knowledge in our students and, for this, we aim to develop the skills and demeanour of lifelong 'learning,' essential for making responsible global citizens. This will make them immensely capable of facing the future with resilience and optimism. On the deeper level, we try to instil the values of respect and trust in relationships that are the foundation of real success.

We believe that 'education' is a wholesome, holistic exercise and as such we strive to give a whole new meaning to the word. We look at ourselves as 'care-givers.' We care for the mind—ours is a sterling academic institution; we care for the person—the accent is on the all-round development of personality. I wish you the best in the process of seeking to become a part of this **Pharmabeat** family.

It is a matter of pride as well as pleasure to present before our readers Second issue of College Newsletter. We have started this newsletter as a way of keeping in touch with teachers and educationists who have been an integral part of our journey.

We are sure that going forward, their exposure to our pedagogy will serve them well in all their academic and professional pursuits and careers. We hope to use this newsletter partly as an additional tool of input
